## DRESS CODE

The dress and grooming of District students shall be neat and clean, promoting a positive educational environment. Apparel that disrupts educational activities and processes of the school will result in the removal of the student from the regular school environment until acceptable apparel can be secured for the student. The administration will be the final judge about whether a student's clothing is appropriate for school or whether it will create an environmental climate that is distracting to learning. Principals, faculty, and staff members will enforce the dress code. Failure to comply with the dress code will be handled similarly to other disciplinary infractions. Non-compliance may result in consequences including but not limited to detention, in-school suspension and loss of eligibility to participate in extracurricular activities.

Pursuant to F.S. 1006.07, wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the learning environment will have the following specific consequences. In addition to these consequences, the violation shall be corrected before the student is allowed back in the regular school environment:

- A. For a first offense, a student shall be given a verbal warning and the school principal (or designee) shall call the student's parent or guardian.
- B. For a second offense, the student is ineligible to participate in any extracurricular activity for a period of time not to exceed 5 days and the school principal (or designee) shall meet with the student's parent or guardian.
- C. For a third or subsequent offense, a student shall receive an in-school suspension pursuant to F.S. 1(5) for a period not to exceed 3 days, the student is ineligible to participate in any extracurricular activity for a period not to exceed 30 days, and the school principal (or designee) shall call the student's parent or guardian and send the parent or guardian a written letter regarding the student's in-school suspension and ineligibility to participate in extracurricular activities.

Individual schools may have additional dress and grooming requirements, if recommended by administrators, faculty, and staff, and if approved by a majority of School Advisory Council (SAC) members. Notice of amended requirements must be provided to all parents in a timely manner through at least one (1) written or verbal communication and published in a document, such as the school handbook or student planner.
