- VII. **Discussion Items** Ms. Lynn Pagans, Chair  
Dr. Joel Herbst, Superintendent
- A. **Legislative Appropriation**  
Dr. Herbst provided information with regards to the 2021-2022 PECO Legislative Appropriation of \$17,403,000 requested to complete Phase 2 of the school building project. The entire construction project budget is \$53 million. Many individuals worked hard to make this happen and we are appreciative of legislators recognizing the needs of our school.
- B. **Construction Update**  
Phase 1 building construction is planned to begin in two weeks. Initial plans for Phase 2 renovations include converting the media center into a teacher training site and offices, the middle school into a biotechnology lab. The high school building is the newest of the buildings and will remain intact. All the portables will be removed, the classrooms and offices will be relocated throughout the Henderson Campus. Phase 1 will take one year to complete. It is anticipated that we will lose use of both fields during Phase 1 construction; modifications to where athletics and physical education take place will be required. We ask for flexibility and understanding as we go through this process. Phase 2 will begin shortly after completion of the K-8 building.
- C. **2021-2022 100% Face-to-Face Instruction**  
The 2021-2022 school year will be 100% face-to-face instruction. We will continue to monitor CDC guidelines, the virus, and public health in our area.
- VIII. **Old Business** Ms. Lynn Pagans, Chair

Mr. David Derrico, parent of a Henderson student, submitted a request for Public Comment. Ms. Lynn Pagans, SAB Chair, read the Public Comment procedure in accordance with the SAB Bylaws and recognized Mr. Derrico. Mr. Derrico addressed the SAB with comments regarding the 2021-2022 school year face-to-face instruction and requested that the school maintain a virtual option.
