Presentation
7/15/2020

Information shared in this presentation is predicated on guidance and knowledge as of July 14, 2020, and subject to change based on state and local health, and educational officials.

Please make note of any questions as we will be able to answer questions after the presentation.
1. FAU Lab School COVID-19 Response and Planning for the 20/21 School Year
2. Reopening our Locations (A.D. Henderson, Pine Jog, FAU High School - Jupiter, Palm Pointe Charter School)
3. Proposed Instructional Models
4. Safety and Support for Staff
5. Communications, Family Engagement, and Advocacy
6. Final Preparations
A.D. HENDERSON & FAU HIGH SCHOOL
school reopening plan

Requirements:
State of Florida Emergency Order

Considerations:
Monitoring Local and State Health Department direction

Emergency Order states, “All school boards...must open brick and mortar schools at least five days per week for all students, subject to advice and orders of the Florida Department of Health, local departments of health, Executive Order 20-149 and subsequent executive orders.”

FL Comm. of Ed., 7/6/2020 Emergency Order

ADHUS/FAUHS School Reopening Survey Results K - 12 - May 2020

Role
- Parent/Guardian: 605
- Student: 127
- Teacher: 57
- School/District Staff Member: 38
- School/District Administrator: 7
- School Advisory Body or Community Member: 1
- Grand total: 835

Henderson Faculty or Staff
- Non-Inst.: 24
- Elementary: 23
- Student Sup.: 21
- Middle: 13
- High: 9
- Admin: 7
- Grand total: 97

School Opening Preference
- In-person: 82.9%
- Hybrid: 49.2%
- Online: 9.2%
- Not sure: 17.1%

Wearing Masks
- 100% support because it provides everyone greatest prevention measure from contracting...
- Somewhat support because it is necessary for optimal prevention...
- Concerned and may be a consideration to not want to come to school face-to-face...
- Cannot support wearing face coverings/masks...
- N/A - not a factor for me to consider...
- Mostly have supervision, may need to obtain as...
- Somewhat have supervision, would be a hardship but I...
- Not possible to provide supervision at home...
- Seldom could provide supervision...

100% have supervision at home and I support a hybrid model...

Provide Supervision
- 75% of Parents/Students Responded to the Survey

Parent Acknowledgement Form for Students in Grades K-9 will be forthcoming for parents to decide between in-person or virtual instruction.
Guiding Principles for Reopening Schools

1. Ensure the safety and wellness of students and staff.
2. Deliver high-quality instruction to students, regardless of delivery model.
3. Provide parents flexibility and choice in instructional delivery models.
4. Optimize use of resources.

We have worked diligently with the Center for Disease Control, the Florida Department of Health, Palm Beach County Department of Health, FAU, and our internal research teams to ensure we implement effective, CDC-recommended health and safety procedures of the highest standard.

The procedures are to be adhered to during the school day by all faculty, staff, and students.
A.D. HENDERSON & FAU HIGH SCHOOL

School Reopening Plan

The FAU Lab School District is prepared to pivot between two different scenarios. The decision to transition from one scenario to another will be based on a combination of factors, including internal risk considerations, public health agency guidelines, and government mandates.

1 - In Person - Students attend school five days a week in-person and adhere to all health and safety precautions.

2 - Virtual - Students attend school 100% virtually five days a week. This model has been modified and is structured as a regular full day of live and guided instruction by their teacher(s). Group and individual support will also be provided.

Guiding Principles for Reopening Schools
1. **Evaluating Risks**
Based on your family’s circumstances and needs, determine if you’d like to physically send your child(ren) to school or participate in virtual learning.

2. **Selecting Your Schooling Preference**
Families will have a week to choose their preferred instructional model for Fall 2020 via FOCUS.

3. **Preparing for Opening of Schools**
Ensure you and your child are ready for a return to in-person and/or virtual setting in terms of materials, and stay updated on new procedures. [20-21 Classroom Supply List](#)

4. **Remaining Engaged**
Learn what tools/applications FAU Lab Schools will use to communicate with you and your child(ren) using the year and check them frequently for new information and best practices.

5. **Home is a school zone too**
Emotional & Academic Support - Very social generation

**Parent Guidance**
In May 2020, our reopening survey yielded a considerable response with 75% parent/family input, and 100% full-time faculty/staff responding. An analysis of the feedback identified several areas of improvement to implement during Fall 2020 as we determine the best course of action for reopening school.
SCENARIO 1 - IN-PERSON
A.D. Henderson & FAU High School is preparing for on-campus instruction to resume for the Fall 2020 semester. The school will follow specific health precautions which will be in accordance with our local, state, and federal requirements. Specific decisions and plans regarding on-campus modifications will be finalized over the next several weeks; however, current campus considerations will be provided to families.
Scenario 1 - In Person

- Regular Start and End Times: 8:00am-2:30pm (grades K-5)/8:00am-2:45pm (grades 6-9)
- Students in grades 10-12 will follow their FAU schedule.
- Instruction will include: whole class, small group, and individual support. Group projects and other student collaborations will be conducted virtually to ensure all students participate.
- Students follow regular schedule of academic and specials/electives. Specials for elementary students will be delivered in-class to minimize student movement throughout the building.
- Students will be assigned their own device that must be taken to and from home daily. Technology will be pre-loaded with the learning platforms and software being used.
- Students are responsible for fully charging their device before coming to school.

### In-Person Sample Day

**7:30** Arrival/Check-in  
**8:00** School Day Begins and students follow standard day schedule of subjects/classes.  
  - Core Content Blocks  
  - Intervention/Enrichment Time  
  - Brain Break/Recess/Lunch/PE  
  - Specials/Electives  

**2:30** Elementary School Day Ends  
**2:45** Middle/High School Day Ends

*Schedule times subject to change"
SCENARIO 2 - VIRTUAL

Online learning at A.D. Henderson & FAU High School allows students to complete their courses completely virtually while being fully immersed into classroom instruction and teacher directed lessons.

Teachers will also work with virtual students in small groups and individually. Teachers will supplement instruction with pre-recorded and/or live recorded links of the lesson for parents and students.

Students will be responsible for daily attendance and accountability for assignments and assessments.
A.D. HENDERSON & FAU HIGH SCHOOL
school reopening plan

- Regular Start and End Times: 8:00am-2:30pm (grades K-5)/ 8:00am-2:45pm (grades 6-9)
- Students in grades 10-12 will follow their FAU schedule.
- Students will follow a full-day schedule of subjects/classes as if they are physically in school.
- Students will receive live instruction and be engaged with their teacher(s) throughout the school day.
- Teachers will also work with students in small groups and individually.
- Teachers will supplement instruction with pre-recorded and/or live recorded links of lessons for the parents and students.
- Daily attendance and accountability for assignments and assessments

Virtual Sample Day

8:00  Check-in via Zoom with the teacher
8:00  School Day Begins (Live Stream)
   - Core Content Blocks
   - Intervention/Enrichment Time
   - Brain Break/Recess/Lunch/PE
   - Specials/Live Stream
     *Students will have time away from the screen
2:30  Elementary School Day Ends
2:45  Middle/High School Day Ends

*Schedule times subject to change

Scenario 2 - Virtual
One-to-one technology devices will be provided to all K-9 students for face-to-face and virtual instruction.

Student technology devices will be loaded with the necessary applications for streamlined instruction.

Digital platforms will be utilized for lesson delivery, communication, grading, and attendance.
Parent takes student temperature at home & assesses for any symptoms that may be related to COVID-19. Students with a temperature of 100.4°+ should stay home and be monitored.
A face mask must be worn by all faculty, staff, and students to enter the building.
  ○ Face shields will be provided to faculty, staff, and students and may be worn in addition to masks.

Student and staff temperatures will be taken daily; if the temperature is 100.4° or higher the individual will be sent home.

All faculty, staff, and students will clean and sanitize their hands by utilizing the hand sanitizer stations, and clean their shoes by walking through a sanitizing footbath mat.

Reminder: All students must wear their school-issued ID and a breakaway lanyard to enter the building; all faculty/staff must wear their school-issued ID.
Health & Safety Procedures: During the Day

- Portable hand sanitizing stations are located near the entry points and throughout the school in order to ensure that all faculty, staff, and students sanitize their hands.

- Social distancing, to the extent possible, will be required on campus (in class, transitions, lunch, aftercare) with administrative and teacher supervision.

- To mitigate cross-group contact, limited movement of students will be permitted.

- Stanchions will be placed throughout the facility to divide the flow of traffic.

- Stickers/posters will be placed in all hallways, exterior walkways, and classrooms to promote social distancing and effective health practices.
A.D. HENDERSON & FAU HIGH SCHOOL
school reopening plan

- Minimize crowds by deploying alternative meal service options.
- Provide grab & go meals to be eaten outside (weather permitting) and inside the classroom.
- Use signage and other social distancing strategies in eating areas.
- Adjust lunch service option to utilize alternative space for meal consumption.
- CDC highly recommends students bring their own lunch, if possible.
- Ensure consistent use of cashless and touchless point-of-sale transactions.
- Stagger meal schedules to limit students in eating areas.
- Maximize social distancing as much as possible during mealtimes.

Adapting Student Meal Service
• Plexiglass dividers will be provided for all classrooms/shared spaces.

• New water bottle-filling stations are being installed throughout the building. Students must bring labeled bottles to refill and the bottles should be sanitized prior to returning to school.

• Each student will have access to their own device (no shared technology), and students must also use their own supplies. Technology must be brought fully charged each day.

• Increased cleaning and disinfecting methods will be used throughout the day. Additional staff members will be hired to ensure the disinfecting meets CDC guidelines.
A.D. HENDERSON & FAU HIGH SCHOOL
school reopening plan

- Perform routine sanitization of general facilities throughout the day
- Create sanitation logs, checklists and procedures for routine deep cleaning
- Set capacity limitations for restrooms
- Monitor student attendance for an increase in absences
- Follow Palm Beach Department of Health & FAU contact tracing procedures
- More frequent replacement of quality air filters for HVAC systems
- Increase frequency of sanitization of high-touch areas with hospital-grade germicide throughout the day and after school in preparation for next day
- Utilize Electrostatic Disinfection sprayer to sanitize the entire campus
- Increase number of cleaning personnel

District/Campus Health Protocols
Health & Safety Procedures: Dismissal

- Students must be picked up at the assigned dismissal time utilizing School Pass system.
- Students will wait in their homeroom class (K-5) or last period class (6-9) and dismissed using School Pass.
- Faculty and staff not assigned to a class will be in the hallways to monitor the transition of students.
- No students may stay after school except for Henderson Aftercare Program.
A.D. HENDERSON & FAU HIGH SCHOOL

School Reopening Plan

- After-school clubs and other after-school activities such as tutoring are prohibited until we are able to resume all normal activity. Select clubs may be offered virtually with preference given to clubs with state and national competitions.

- Limited enrollment in aftercare to ensure social distancing and thorough nightly cleaning of facility.

- Athletics will not take place at this time. We continue to monitor information from the Florida High School Athletic Association (FHSAA).

- Aftercare staff and students will be required to follow the same health and safety procedures implemented during the school day.

Health & Safety Procedures: After School Programs
