statutes, rules and regulations of the United States. The SAB’s written policies shall be developed thoughtfully and maintained regularly so they may be used as a basis of SAB action and administrative decision. This shall be accomplished as follows:

A. The Principal/Director’s responsibility is to call the SAB’s attention to policies that need revision. However, proposals regarding FAUS policies may originate from any of several sources including a parent/guardian, an employee, a member of the SAB, the Principal/Director, and/or a consultant to the SAB or FAUS.

B. The request for policy action will be sent to the appropriate committee of the SAB for review. Following such review, if approved by the appropriate committee, the requested policy action will be publicly displayed for a 20-day public review period. After the review period, the SAB will consider action on the policy request.

C. Policies introduced and recommended to the SAB shall not be adopted until after the 20-day public review period. Temporary approval, however, may be granted by the SAB in order to meet emergency conditions or special situations that may occur before a policy change can be formally adopted.
