## **Admission / Withdrawal**

Enrollment in our program is full-time and space is limited. The program complies with FLDOE Ratios for Group Size. A waiting list of names will be started once grade-level groups are filled. We will contact you as soon as a HESP spot becomes available for your student.

Placement in HESP is on a **full-time daily basis only**. The Henderson Enrichment School Program is NOT a drop-off program. Parents must complete an enrollment form and pay a non-refundable \$25 registration fee as well as their first monthly fee in Marketplace before their child(ren) may attend. **ONLY** registered HESP children with accounts in good standing, may be in attendance. Additionally, fees are not waived for **absences from HESP or school**.

### **Withdrawal**

If for any reason you need to withdraw a child from the HESP program, notify HESP via email ([hesp@adhus.fau.edu](mailto:hesp@adhus.fau.edu)) and your account will be resolved.

### **Attendance**

Attendance of students will be taken by before-care and aftercare counselors upon arrival. All children are to check in with the HESP counselor before going to any sports, clubs, or other school activities. **Remind your student to check in PRIOR to attending any school sports, clubs, or other activities, as HESP cannot assume responsibility for students not identified as attending the program. The student may be subject to a discipline referral as an "unaccounted for student"**.

**It is imperative that we be notified if your child will not be staying for HESP on a particular day.**

## Clubs, Sports, and Tutoring

In an effort to capture real-time student enrollment numbers for emergencies, every student location will be tracked. If your child participates in a club, sport, or activity, their name must be included on the sponsor's roster. The sponsor will take attendance and the student will be checked back into aftercare upon completion of the activity. A school-sponsored tutoring program will operate like a club with an attendance roster. However, if your child receives private tutoring from a faculty member, it is the responsibility of the parent to include that person as an individual able to check the student out of the program.

## Communication

Parent emails will be sent to the email on file in FOCUS as needed. Please make sure the email is correct in FOCUS. Further, Information regarding schedules, field trips, special events, etc. will be shared as appropriate. Please read all information carefully and save it as a reference.

## Community Partners

HESP actively cultivates community partnerships for tutoring, research, programs, and service projects. Grade levels may have different opportunities to participate.

## Contacting HESP

- **Email (preferred):** Email messages will be checked daily by 2 p.m.
- **Phone:** Voicemail will document any messages left outside of office hours. Messages are checked daily by 2 p.m. Only leave messages pertaining to after school. If alternative arrangements must be made for who picks up your child make sure you change the student's information in the School Pass System. Leaving a message on the HESP voicemail is not acceptable as notification, due to security and safety concerns.
- **Parent Notes:** Any written correspondence may be sent with your child to his/her homeroom teacher to HESP's attention. You may also call or email the HESP office directly (hesp@adhus.fau.edu).
- **Daily Pick-up:** Students may be picked up from HESP after general school dismissal between 3:15 - 6:00 p.m. If you need to pick up your student before 3:15 p.m., be certain to change your child's status in School Pass to the car line. The student should not report to Aftercare if they need to be picked up between 2:30-3:15 pm.

## Dismissal

Safety is a priority for the school and the aftercare program. HESP will dismiss students through the use of School Pass. Parents/guardians picking up from aftercare must stay in their vehicles at all times. Students will be walked directly to their car by an aftercare employee. **All parents should make sure to update their School Pass information is accurate, as School Pass will be used for dismissal as parents enter the circle and attendance tracking.** If a person arrives to pick up a student and is not listed in School Pass, the parent/guardian on file

will need to be directly contacted before releasing the student. That person **MUST** be listed in FOCUS as an emergency contact.

### **Days of Operation**

HESP will operate every regular school day beginning on the first day of school. Aftercare will not be offered on half days. For further information regarding school holidays and breaks, please refer to the A.D. Henderson University School / FAU High School calendar at [www.adhus.fau.edu](http://www.adhus.fau.edu).

### **Electronic Devices**

Students - Please refer to the [Student Code of Conduct](#) for guidelines on the acceptable possession and use of wireless devices.

In accordance with state law (Section 1006.07(2)(f)), students may possess cellular phones and other wireless communication devices on school property and school-sponsored transportation, as long as the students adhere to the restrictions provided herein. Any unauthorized use of cellular phones and other wireless communication devices during the instructional school day, while on school-sponsored transportation, or at such times as not authorized by the Principal/Director or designee, is prohibited as it disrupts the instructional program or distracts from the educational environment. Please see the Student Code of Conduct for more information.

### **Emergency Contact**

Emergency information is very important for us to ensure the safest possible environment for your children. Please notify us right away when there is a new work or home phone number, or if you have moved and have a new address. If your child is sick or injured, **we must be able to contact you immediately**. Please keep this information accurate at all times.

### **HESP Activities**

Students in the Henderson Enrichment School Program will be placed in groups according to grade levels. They will stay with one counselor per group. Other counselors may provide special activities such as athletics, technology, and arts and crafts. Each after-school group will have a homeroom and will follow a daily schedule.

Daily aftercare includes designated homework time, access to technology, snack, and physical activity.

#### **Homework time:**

Homework time is required for all students. This is a daily 30 – 60 minute quiet study time for students. Students who do not have homework will be expected to read or work quietly during this time. Please encourage your child to make good use of the daily homework time.

Counselors do their best to support each student with their homework, but this does not guarantee that student work has been checked. Students participating in other after-school commitments such as clubs or sports may not always participate in the homework portion of aftercare. As a parent/guardian, it is important to remember to take time to review your child's work with them nightly. Students who are a disruption to other students during homework time will be subject to disciplinary action.

## **Medical & Emergency Information**

### **Illness or Injury**

Children must be healthy enough to participate in the daily routine in accordance with the school's [Clinic Policy](#). We do not have the facilities to care for sick children and therefore do not allow them to attend the program. **For the safety and comfort of your child, please keep them home until they feel better and no longer present the danger of passing on their illness.** When your child has a fever (fever of 100.4) or any other symptom listed in the school's [Clinic Policy](#), please make sure they remain at home 24 hours after their temperature and symptoms return to normal. If your child becomes ill, you or your emergency contact will be asked to pick up your child as soon as possible.

### **Allergies**

If you're aware that your child is severely allergic to an item, it is your responsibility to notify us in advance so we may take proper precautions. Further, if it is medically necessary for an EpiPen, please make sure you have completed the [Medical Authorization Form](#) on file with the nurse.
