

Science Textbook Adoption Process

For 2024-2025 Implementation

March 13, 2024

ADOPTION PROCEDURES

Identify adoption team

- Subject matter experts
- SAB Education Committee

Meet with subject matter experts (1/8/24)

- Determine lens - what is most important for our teachers and our students?
- Discuss process, timeline, and expectations.

Request samples from vendors from the [FDOE short list](#). (Dec-Jan)

- Investigate options - determine programs to evaluate deeply
- Narrow the selection to 3 or 4 vendors

NEXT STEPS

Action	Required	Recommended
Schedule vendor presentations.	Tammy Bresnahan	N/A
Review textbooks and ancillary materials in person (Swisher Center) or online.	School Science Committee	SAB Education Committee
Complete an evaluation for each of the 4 vendors using a Google Form .	School Science Committee	SAB Education Committee
