## Our Elementary Group Loves to Read!

- 2nd grade readers had a special treat this Valentine's Day. Each had a "blind date" with a book where they read clues to determine if the book would be a perfect fit.
- 3rd grade ended their Character Studies Unit with a "Because of Winn-Dixie" celebration. They studied how characters can grow and change throughout a book, practiced finding the central message of stories, and learned how to compare characters from different books.
- 5th grade readers celebrated their recent ELA unit on argument and advocacy concluding with a mock debate in class in hopes of becoming more active and engaged citizens.

## Student Artwork at the Boca Raton Community Center

- Twenty-two (22) A.D. Henderson students were chosen to be part of the Boca Raton Community Center Student Art Show! This annual event highlights some of the top pieces of artwork created in Boca Raton schools.
- The student art exhibit is open to the public until March 31st. We are very proud of our talented student artists! A.D. Henderson University School is thankful for this fantastic opportunity to show our artwork to the community.

---

## Middle School FAU Medical Scholars Club

- The recent warm Florida weather has provided an opportunity for many of our teachers to take students outside for learning opportunities.
- Mr. Nance's art students covered our sidewalks with chalk art and Mr. Thompson used the space for a friendly Geometry competition.

## National Merit Scholars

**NATIONAL MERIT  
SCHOLARSHIP PROGRAM**

- [24 FAU HIGH STUDENTS NAMED NATIONAL MERIT FINALISTS](#)
- 32% of our seniors earned either NMSC Commended or NMSC Semifinalist designation, 14% of those qualified Finalist status.
- This school year, 45% of our senior class (79/175 students), have earned a National recognition for their achievements; this includes NMSC Commended, NMSC Semifinalist, NMSC Finalist and the College Board National Recognition designations of National Hispanic American Scholar, National African American Scholar, and/or National Indigenous American Scholar.

## The Cane Institute leads the way in STEM education

- K-2 STEM Robotics: Kindergarten and 1st grade students used Ozobots and 2nd grade used Lego WeDo to code and learn about pollinators through their STEAM class. What a great way to integrate science and technology through The Cane Institute!
- All of our elementary, middle, and high school teams are gearing up for upcoming competitions:
  - [ExploraVision Challenge](#)
  - [Elementary SECME \(March 5th\)](#)
  - Middle & High School SECME (March 29th)
  - Science Olympiad (March 26th)
  - Science Fair (March 29th)
  - MATE Underwater Robotics (April 30th)
  - FAUHS Solar Owls Automotive Racing (SOAR) (July)
