## TCI Presents at the National Science Teacher Association Conference

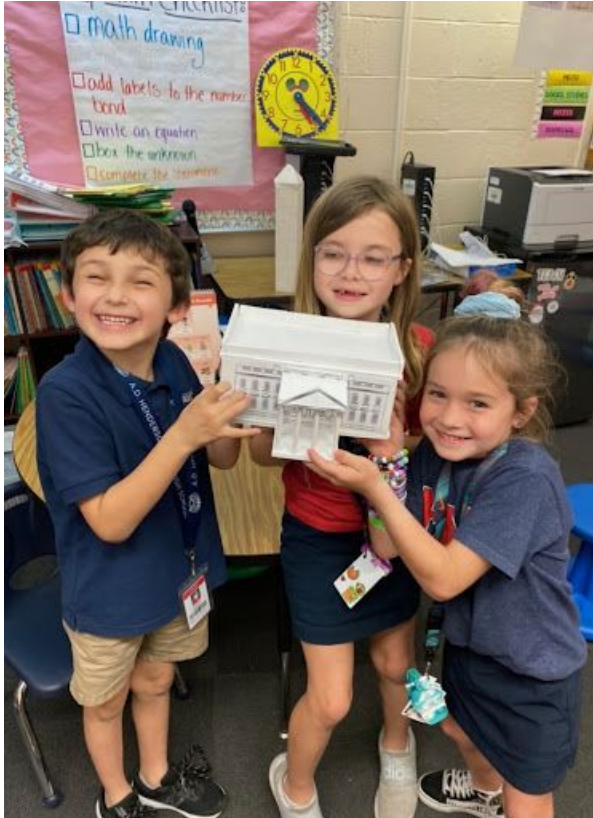

- Ms. O'Sullivan and Ms. Wuest traveled to Houston, Texas, to share their collaboration with a session entitled "Science through Art" to a packed room of educators.
- As a lab school, part of our mission is to demonstrate best practices in teacher education, and our educators are always eager to step up and share. While serving all students at A.D. Henderson & FAU High School, the Cane Institute also strives to share the knowledge gathered here and develop projects and teachers across the country.

## 1st Grade 3D Maps

- After studying maps and symbols in Washington D.C., first graders collaborated to create 3D maps and chose a symbol to research with their groups and present what they learned.
- Students used green screen technology to transport to Washington D.C. to present their findings. Students then built models of these places around the capital city and were incredibly proud of their creations and all they learned.

## Middle School is Taking us by Storm!

- The Middle School Performing Arts Spring Showcase was a memorable event. The remarkable show was led by Rhea Francani and the student performances were spectacular.

- The Cane Institute is proud to announce that our High School MATE ROV Sea Owls Underwater Robotics Team won 2nd place at the Florida MATE ROV Regional Championship held in April. They have earned a spot to compete in the World Championship in California in June.

## FAU High School Class of 2022

- Last week we celebrated our FAU High School Class of 2022 graduation with 176 students proudly receiving their diplomas and eight (8) students earning their bachelor's degrees at the same time.
- This motivated class has overcome the obstacles of COVID, and has made great achievements. The majority of our seniors will complete their bachelor's degrees at FAU within the next 18 months and others are headed to Ivy League and prestigious universities around the country.

## FAU High School - Jupiter Campus, in Partnership with Max Planck Academy

- In April, the 1st Annual FAU High School - Jupiter Campus, in partnership with Max Planck Academy Senior Research Symposium, was held to showcase research projects of the inaugural Class of 2022.
- The students worked in laboratories and field research sites to further scientific knowledge and our understanding of the world around us.
- 23 senior researchers published four peer-reviewed research papers, won over \$10,000 in grant funding and research awards to support their research endeavors and presented at university, state, and national conferences.

The Cane Institute leads the way in STEM education

## Regeneron International Science & Engineering (ISEF) Fair

- This year 3 of our students (a school record) competed in the ISEF Fair.
- Saachi Mody won 4th place in her category of Biomedical & Health Sciences.
- Seymour Haque won a specialty cash award in his category of Chemistry from the Drug, Chemistry and Associated Technology Association
- Thank you to coaches: Allan Phipps, Kendra Palumbo, Tricia Meredith, and Robin Barkes.

## SECME Team Place 1st at Nationals

- Our Middle and High School SECME teams lead by coach James Nane recently took home top awards in the online 2022 SECME National Competition.
- 1st place in the nation for Middle School Mousetrap Car
- 1st place in the nation for Middle School Rocket
- 1st place in the nation for High School Mousetrap Car

## Exploravision National Winners

- This year marked the 30th annual Toshiba/NSTA ExploraVision challenge, the world's largest K-12 science competition.
- Among the 8 national winners was our elementary student team, The Replenishanator, who won 2nd place in the 4th-6th grade division. They will be heading to Washington, DC on June for the awards ceremony.
- In addition to each getting a \$5,000 savings bond, they will get to meet special guests including Bill Nye.
- This year's winners have shared innovative proposals to help overcome some of the greatest challenges facing the world today, from healthcare challenges to sustainability efforts and energy efficiency.

## 2022 ADHUS PTO Rainbow Run

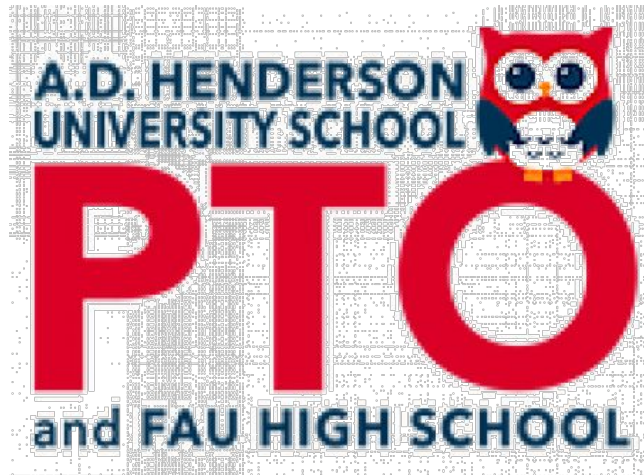

- The 2022 PTO Rainbow Run was a huge success. Leading up to the Rainbow Run, we raised over \$67,000 making it the top fundraiser in our PTO history!
- Here are some of the ways we will be using this contribution:
  - teachers' special activities and projects, PDDs, and teacher lead training
  - run our school spirit store
  - celebrate Mother's Day and Father's Day Kindergarten Breakfasts, Thanksgiving Feast, Annual Auction, and more
  - special school day events, such as the Rainbow Run, March Madness, and Field Day
  - Host family events such as Halloween Howl, Movie Night, Stem Nights, and more!
- Thank you so much!
