
DRESS CODE

The dress and grooming of students shall be neat and clean, promoting a positive educational environment. Apparel that disrupts educational activities and processes of the school will result in the removal of the student from the regular school environment until acceptable apparel can be secured for the student. The administration will determine whether a student's clothing is appropriate for school or whether it will create an environmental climate that is distracting to learning. School administration, faculty, and staff members will enforce the dress code. Failure to comply with the dress code will be handled similarly to other disciplinary infractions. Non-compliance may result in consequences including, but not limited to, detention and loss of eligibility to participate in extracurricular activities.

Pursuant to s. 1006.07, F.S., wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the learning environment will have specific consequences. In addition to these consequences, the violation shall be corrected before the student is allowed back into the regular school environment. Possible consequences for a violation of the Dress Code are as follows:

- A. For a violation of the Dress Code, a student shall be given a verbal warning. The parent may be contacted to bring a change of clothing or, if necessary, clothing may be provided by the school or PTO.
- B. Repeated violations of the Dress Code will result in a parent conference and may result in disciplinary action.

Recommended amendments to student dress and grooming requirements, as stated in this policy, will be submitted to the School Advisory Body (SAB) as needed. Notice of amended requirements must be provided to all parents in a timely manner through at least one (1) written or verbal communication and published in a document, such as the school handbook or student planner.
