OVERVIEW & LEVELS		CONSEQUENCES/CORRECTIVE ACTIONS														
The K-12 Discipline Matrix sets forth the guidelines for assessing consequences of district policy violations that occur at school, on school property, or at school sponsored events. School Principal/Director and the Office of PK-12 and Educational Programs have the discretion to deviate from these guidelines by assessing an appropriate consequence other than stated in the Matrix, if he or she determines in his or her sole discretion that there are mitigating or aggravating circumstances. Progressive discipline is a whole-school approach that utilizes a continuum of interventions, supports and consequences to address inappropriate student behavior and build upon strategies that promote positive behaviors. When inappropriate behavior occurs, disciplinary measures should be applied within a framework that shifts the focus from one that is solely punitive to a focus that is both corrective and supportive. It is designed to create the expectation that the degree of discipline will be in proportion to the severity of the behavior leading to discipline and that the previous disciplinary history of the student and all other relevant factors will be considered. Repeated instances of the same behavior may result in more severe consequences. Action Legend – Consequences/Corrective Actions <i>Documentation in FOCUS and parent contact is required for all violations.
